**RFC Group 1:** jointly organized by RFC North Sea-Med, Atlantic, Mediterranean, and North Sea-Baltic

**RFC Group 2:** jointly organized by RFC Baltic-Adriatic, Orient/East-Med, North Sea-Baltic, Rhine-Danube, Alpine-Western Balkan, and Amber

**RFC Group 3:** jointly organized by RFC Rhine-Alpine, North Sea-Med, Scan-Med, and North Sea-Baltic

Our annual training focuses on the corridor specific functions in PCS, and provides you with valuable, practical insights needed for requesting Capacity on the Rail Freight Corridors for timetable 2022.

Moreover, the training enhances your knowledge by introducing you to (new) features and functions in PCS in general; informing you about the news for TT2022 and giving you the chance to practice live with individual and corridor-specific exercises.

If you would like to participate to one or several of the trainings, **please register** under one (or more) of the following links:
